

»TIMEX IRONMAN GPS

TIMEX® IRONMAN® RUN TRAINER™ I.O WITH GPS TECHNOLOGY:

Say goodbye to repetitive loops, complicated mapping and over-planning. Enjoy the freedom of running, and let the Run Trainer™ watch do the rest. Get real-time distance, pace, heart rate and more on a large, easy-to-read screen. After the run, review your map and performance with online training software powered by TrainingPeaks™.

SPEED + DISTRNCE WITH FLEX TECH™ DIGITAL 2.4 HEART RATE SENSOR

Compatible with the

TIMEX® ANT+™ FOOT POD SENSOR:

See Page 6

FEATURES:

- > Real-time distance, pace, speed and more
- Quick and reliable signal with SiRFstarIV™ technology
- > 15-Workout memory with dated summary
- > Free access to online training log
- > Desktop device agent allows for easy changes to watch and performance settings
- > 100-Lap chronograph with customisable 3- or 4-line display

- > Hands-free chronograph operation based on distance and time
- > Pace, speed, and distance audible alerts keep your training on-track
- > Hydration and nutrition alerts remind athletes to replenish at regular intervals
- > Five programmable interval timers with optional warm-up and cool down
- > Five customisable alarms with backup

- > Rechargeable Li-Ion battery with 8-hour life in full GPS mode
- Compatible with ANT+™ sensors for heart rate and foot pod data
- Watch WR to 50m (GPS and ANT+™ features not available underwater)
- > INDIGLO® night-light with NIGHT-MODE® and Constant-On options

»TIMEX IRONMAN GPS

CYCLE TRAINER™ 2.0 BIKE COMPUTER WITH GPS TECHNOLOGY:

The lightweight Cycle Trainer™ 2.0 bike computer adds a dashboard to your handlebars. Five screens of real-time cycling data provided by GPS, the included heart rate sensor, and optional ANT+™ bike and power sensors let you track your performance and finely tune your rides.

FEATURES:

- > Real-time distance, speed, grade and heart rate
- > Quick and reliable signal with SiRFstarIII™ technology
- Includes Flex Tech™ Digital 2.4 heart rate sensor
- > 20-Workout memory with dated summary
- > Free access to online training log
- > Desktop device agent allows for easy changes to watch and performance settings
- > Five customisable screens

- > Barometric altimeter and temperature sensor on-board
- > Hands-free operation based on distance and time
- Includes two quick-release dual-position bike mounts
- > Rechargeable Li-lon battery with 18-hour life in full GPS mode
- Compatible with ANT+™ sensors for speed, cadence and power data
- > INDIGLO® night-light with selectable duration and Constant-On option

Includes the Timex Flex Tech™ Digital 2.4 Heart Rate Sensor with adjustable strap and user-replaceable battery

Compatible with the **BIKE SPEED + CADENCE + DISTANCE SENSOR:**

T5K445 • \$69

TIMEX ANT+TM FOOT POD:

Compatible with Timex® IRONMAN® GPS watches for indoor training and for use in challenging outdoor environments

FEATURES:

- > Wirelessly transmits real-time pace, distance, and running cadence data with ANT+™ technology
- > Attaches to laces with snap-on clip
- > Slips into recess under insole (for applicable shoes)
- > Auto-on/off with owner-replaceable battery
- Compatible with Timex IRONMAN® Run Trainer™ 2.0 and Run Trainer™ 1.0 GPS watches, and IRONMAN® Global Trainer™ Bodylink® system

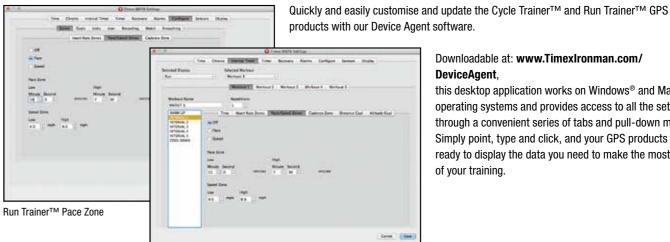

COMPUTER SOFTWARE

Beyond offering outstanding value from its GPS products, Timex® provides free training software for its Cycle Trainer™ 2.0 bike computer and Timex® IRONMAN® Run Trainer™ watches.

DESKTOP DEVICE AGENT SOFTWARE

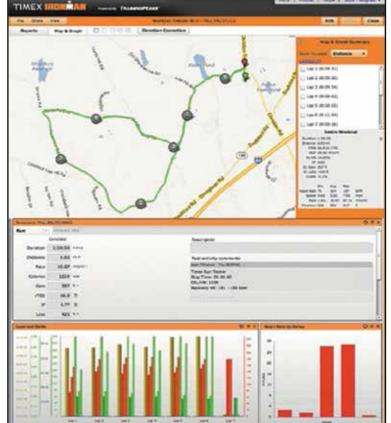

Run Trainer™ Interval Timer Settings

Downloadable at: www.TimexIronman.com/

DeviceAgent. this desktop application works on Windows® and Mac® operating systems and provides access to all the settings through a convenient series of tabs and pull-down menus. Simply point, type and click, and your GPS products are ready to display the data you need to make the most out of your training.

ONLINE TRAINING LOG SOFTWARE

In addition to desktop customisation, the Device Agent provides direct access to the free Timex online training log powered by TRAININGPEAKS".

TrainingPeaks is leading-edge fitness and nutrition software used by top professionals and everyday athletes who are serious about results. When a Timex device is paired with TrainingPeaks, athletes get everything they need to track, analyse and plan their training:

- Fitness trends shown over time on the TrainingPeaks dashboard
- Free mobile access to TrainingPeaks calendar on your Smartphone
- Graphs for each workout with peak pace, speed, heart rate, cadence or power
- Option to upgrade to TrainingPeaks Premium for elevation correction and data editing

Users of the Timex free site enjoy these exclusive benefits:

- A set of training plans from Timex, and access to the TrainingPeaks store to browse thousands of triathlon, running and cycling plans
- · Daily emails with any planned workouts
- Charts to view data by laps and splits, and time in zones
- · Ability to analyze and save segments like a particular climb or interval training
- Scientific statistics like Normalised Graded Pace and aerobic decoupling
- Routes that can be created and saved from Timex GPS files

NOTES:		
NO 1 C3:		

CUSTOMER SERVICE & WARRANTY INFORMATION

Designa Accessories has its own in-house Customer Service Centre to help you & your customers with any and all enquiries regarding the servicing and repair of all Designa Accessories products. Our service centre is manned by professional service consultants in conjunction with our team of qualified watch makers and technicians.

Call the Service Centre directly on: 1800-800-030

- 3 Year Limited Warranty This warranty is void if the watch is opened by anyone other than the Designa Accessories Customer Service Centre.
- 3 Years On movement from the date of purchase (does not include the crown)
- 2 Years On battery from the date of purchase. As part of any battery replacement.
- 1 Year On bands/straps. Due to irregularities in wear and tear of each individual's watch, the plating (finishing) of the watch is only guaranteed to sustain standard (factory tested) wear and tear. The lens is not covered under this warranty.

Under the Australian Consumer Law, we advise our goods come with guarantees that cannot be excluded under the Australian

Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure (the "Mandatory Provision").

ALL WARRANTY CLAIMS MUST BE **ACCOMPANIED BY A PROOF OF PURCHASE** RECEIPT* CLEARLY DISPLAYING THE ORIGINAL PURCHASE DATE OF THE WATCH

Please Note: Designa Accessories reserves the right to repair or replace any warranty watch with an equivalent style.

Repairs Procedure:

Please help us to ensure that your customer's watch is repaired or serviced in the most efficient manner by noting the following:

- 1. When returning a watch to us for repair, please ensure that it is accompanied by the following information:
- a. Store name, address and reference no.
- b. Store phone number and contact name
- c. Warranty slip & proof of purchase
- known problem e. Return address during business hours
- d. A short explanation as to the suspected or

- For security and tracking purposes, please ensure that the watch is returned via registered post or courier to: Designa Accessories, PO Box 2576, Taren Point NSW 2229 N.B. It is unnecessary to return product in original packaging. It is preferable to simply return the product wrapped in a suitable protective material (i.e., bubble-wrap).
- 2. When a watch is received at Designa Accessories, it is registered by store name and docket number.
- a. It is then passed to one of our qualified watchmakers for inspection.
- b. If the watch is covered under warranty (as per accompanying warranty slip & proof of purchase) the watch will be repaired at no cost.
- c. If the watch is out of warranty, we will provide you with a quotation and await your advice as to whether or not the customer would like us to proceed with the repair.
- d. Once completed, the repair is then dispatched via courier.
